

Vacancies

We have positions for three Voluntary Board Members

We are looking for board members with a background in finance as well as property maintenance and housing management

CRHA is a charitable housing association providing good quality homes throughout Cornwall & the Isles of Scilly.

CRHA is a leading provider of affordable rural homes across Cornwall and the Isles of Scilly helping nearly a thousand people to live in good quality, safe and affordable homes and importantly supporting the sustainability of rural communities.

We put our customers first and take pride in being reliable and accessible and of having a really good relationship with our customers.

We care about what we do and do what we can to make a difference.

This is an exciting time to be joining us as we embark on the next stage of our journey, we are starting to invest in our business and over the coming year we will be developing a new Business Strategy and putting in place new funding arrangements to support our future ambitions

We are looking for someone with a background in finance who can provide us with objective scrutiny, guidance and support to help us achieve our ambitions. Experience of the housing sector would be ideal but not essential.

We are also looking for Board Members with backgrounds in property maintenance and housing management who through their Board Member roles can provide oversight, direction and scrutiny in the delivery of our customer services activities

This is an amazing opportunity to join a special organisation on the next stage of our journey working with an experienced, passionate and committed Board and an equally dedicated and skilled colleague team.

Timewise we generally meet bi-monthly, and aim to hold a strategy day once a year. So this coupled with preparation time does not make this role overly onerous.

On top of this you will also help us to continue to make a real difference to rural communities across Cornwall and the Isles of Scilly.
